

IS A CHRISTIAN'S WILL DIFFERENT?

YES...

for these reasons:

- Prayerful planning is key for guidance in the distribution of your estate.
- Consideration of a bequest to your church, other church agencies, or the mission of the church concerning the work of God. (Some give a tithe of their estates to the cause of Christ or endow their annual gift).
- A personal Will serves as a testimony about God's goodness to you and as an opportunity to share your life commitments and goals.

As you consider writing or revising your will, The **United Methodist Foundation of New England** can help you start the process. For more information on Wills or to request a free **Will Kit**, visit our web site at www.umfne.org and click on **Planned Giving**.
