

## When is the Best Time to Write a Will?

- Maybe after promising your nephew you would leave him your custom-made golf clubs?
- Maybe as you are en route for a tour of Europe?
- Maybe when your grandchild says “Grandma” or “Grandpa” for the first time?

All of these situations, and many more, remind us that a personal will is needed. Now is the best time to start planning your will. You probably already have a general idea of how you would like your estate distributed. A few moments of planning now will help your heirs avoid anxious moments and a lot of red tape later.

The United Methodist Foundation of New England can send you their free “Will Kit” to get you started. Visit our website at [www.umfne.org](http://www.umfne.org) and click on Planned Giving or email [chrism@umfne.org](mailto:chrism@umfne.org), call 800-595-4347 x102, or fill out the form below.
