

## *Why Should I Include My Church in My Will?*

That's an important question. It is really a question concerning the place of the church in one's life. Consider these reasons for including the church in your will.

***It is a matter of values.*** A Will is a testimony concerning the persons and causes important to you. When we remember the church or a particular ministry in our will, it is a powerful statement that this is something we believe in.

***It is a matter of timing.*** Many gifts just can't be given in our lifetime because we still require the gift asset for our own use. Giving through our will enables us to give to the church when we no longer have need of the gift. Many times it enables us to give more than we ever imagined we could give during our lifetime.

***It is a matter of faith.*** The church is of God and giving through our will is a faithful way to provide for ongoing ministry long after we are gone.

The United Methodist Foundation of New England can send you their free "Will Kit" to get you started. Visit our website at [www.umfne.org](http://www.umfne.org) and click on Planned Giving or email [chrism@umfne.org](mailto:chrism@umfne.org), call 800-595-4347 x102, or fill out the form below.
